World Bible

Version 0.1

1. THE WORLD

Name of the World

ELYRION

Elyrion is an ancient world that has experienced multiple rises and falls of civilization.

Most inhabitants believe that they live in the final age of the world.

No one knows whether this is true.

2. THE CONTINENT

Name

VALGAR

Valgar is a northern continent known for:

- long winters;
- dense forests;
- rich mineral deposits;
- ancient ruins;
- constant political conflicts.

Most of the game takes place within one isolated region of Valgar.

3. THE GAME REGION

Name

THE ASHEN VALLEY

The Ashen Valley is a massive basin surrounded by mountains.

For hundreds of years, nobody has been able to leave it.

The valley became isolated after a magical catastrophe known as:

THE FRACTURE

4. THE FRACTURE

Approximately 400 years ago, a war between ancient magical orders reached its climax.

The archmages attempted to create a barrier capable of stopping an unknown enemy.

The ritual failed.

Instead of creating protection, it created:

THE FRACTURE.

The Fracture surrounds the entire valley.

Characteristics:

- glowing storms;
- floating rocks;
- distorted space;
- whispering voices;
- lethal magical energy.

Any living being attempting to cross the Fracture disappears.

No bodies have ever been recovered.

5. WHY PEOPLE STAY

Inside the Ashen Valley exists a rare substance:

BLACK CRYSTAL

Properties:

- stores magical energy;
- powers magical artifacts;
- enables advanced spellcasting;
- is extremely valuable.

Without Black Crystal, many kingdoms outside the valley would collapse.

Therefore governments continue to send:

- soldiers;
 - prisoners;
 - scholars;
 - mercenaries;
 - adventurers;
 - spies.
-

6. THE TRUTH

Nobody knows the true origin of:

- the Fracture;
- the Black Crystal;
- the ancient civilization.

Several theories exist.

7. THEORIES ABOUT THE FRACTURE

Theory 1

The gods created the Fracture.

Believers:

- priests;
 - peasants;
 - pilgrims.
-

Theory 2

The Fracture is an ancient magical weapon.

Believers:

- mages;
 - scholars.
-

Theory 3

The Fracture is actually keeping something OUT.

Believers:

- cultists;
 - fanatics.
-

8. THE ANCIENT EMPIRE

Before recorded history, the valley belonged to:

THE ELYSIAN EMPIRE

The empire possessed:

- advanced magic;
- giant cities;
- flying structures;
- unknown technology.

The empire disappeared.

No one knows why.

Its ruins remain scattered throughout the valley.

9. FACTIONS

Five major factions control the valley.

THE IRON LEGION

Description:

Military organization controlling most mines.

Values:

- order;
- discipline;
- survival.

Goal:

Control all Black Crystal production.

Leader:

Lord Commander Marcus Varyn.

THE CIRCLE OF ARCHONS

Description:

Independent magical order.

Values:

- knowledge;
- research;
- secrecy.

Goal:

Understand the Fracture.

Leader:

Archmage Seraphel.

THE FREE CLANS

Description:

Hunters, scouts, traders and smugglers.

Values:

- freedom;
- independence;
- survival.

Goal:

Remain outside political control.

Leader:

High Ranger Corvin.

THE CULT OF SILENCE

Description:

Religious cult.

Belief:

The world beyond the Fracture is the true reality.

Goal:

Destroy the barrier.

Leader:

Unknown.

THE ASH BROTHERHOOD

Description:

Former prisoners and exiles.

Values:

- strength;
- loyalty;
- revenge.

Goal:

Build their own kingdom.

Leader:

The Ash King.

10. RACES

Playable races:

- Human
- Highland Human
- Northern Human
- Half-Blood

Non-playable races:

- Forest Elves
 - Deep Dwarves
 - Ancient Giants
 - Shadowborn
 - Dragons
-

11. MAGIC

Magic is dangerous.

Every spell damages:

- body;
- mind;
- soul.

Most people fear magic.

Magic schools:

- Fire
 - Frost
 - Nature
 - Blood
 - Spirit
 - Shadow
 - Arcane
-

12. RELIGION

There are three dominant religions.

The Flame

Represents:

- order;
 - justice;
 - sacrifice.
-

The Wheel

Represents:

- life;
 - death;
 - rebirth.
-

The Void

Represents:

- chaos;
 - secrets;
 - truth.
-

13. MONSTERS

Monsters are divided into categories.

Common:

- wolves;
- bears;
- spiders;
- boars.

Dangerous:

- trolls;
- wargs;
- undead.

Ancient:

- dragons;
- titans;
- abyss creatures.

Unknown:

- entities from beyond the Fracture.
-

14. PLAYER ORIGIN

The player is never special.

Possible origins:

- prisoner;
- mercenary;

- hunter;
- blacksmith apprentice;
- soldier;
- refugee;
- thief;
- scholar.

The world does not care who the player was.

The player earns identity through actions.

15. WORLD PHILOSOPHY

The world must feel:

- old;
- dangerous;
- believable;
- unfair;
- mysterious.

Nobody possesses the full truth.

Every faction believes it is right.

Every NPC knows only a small piece of reality.

The player must discover the truth independently.

16. CORE QUESTION OF THE GAME

The central mystery of the world is:

Is the Fracture a prison?

And if so:

Who is trapped?
